Tourism (1)

Tourism has changed a lot over the past few decades. It is actually quite a new thing. It probably didn't exist fifty years ago. The only people who travel then were rich, and they were called travellers. I guess tourism started to grow when airplane travel became cheap. The idea of foreign travel suddenly became very popular. There is hardly a corner of the earth untouched by tourism. The number of tourists is also rocketing. Millions of people from Russia, India, and China, are now taking vacation. Tourism really is making the world a global village.

T/F :

1. Tourism grew when the plane travel became cheap. T ☐ F ☐
2. Many years ago the only people who travelled were famous. T ☐ F ☐

Complete the sentences.

3. Tourism is quitething.
4. There is hardly a corner of theuntouched by tourism.

Scientists (2)

Some scientists become very famous and rich. Many people around the world may remember their names and faces. But this is not what they call "success" .They feel successful when they solve problems and find answers to their questions. They work hard, and they never give up when they are working. And finally they find the facts.

Answer the following questions. 2

1. When do scientists feel successful?
- 2.Do they feel weak when they are studying?
